## Principal's Message

August 15, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Bullock Creek. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact me for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.bccreek.k12.mi.us/bcel/> or you may review a copy from the main office at Bullock Creek Elementary.

### ***State law requires that we also report additional information:***

Bullock Creek Elementary students are assessed during their 3<sup>rd</sup> grade year at Pine Rive Elementary. For 2010-11, Bullock Creek Elementary/Pine River Elementary made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Students at Bullock Creek Elementary continue to score well on state and national assessments. The staff, students, parents and community make Bullock Creek Elementary a wonderful school environment.

Sincerely,

Vicki Mikusko, Principal  
Bullock Creek Elementary

## Description of the School

A total of 276 students in grades K-2 attended Bullock Creek Elementary School during the 2010-11 school year. Daily attendance averaged 97.1%.

Eleven classroom teachers and one resource classroom teacher serviced students. Bullock Creek Elementary school provides a young 5's kindergarten. Two other programs are also housed in our building: The Community Preschool and Early Childhood Classroom, operated by the Midland County ESA.

In addition, we share the following professional staff with the other elementaries in the district: teachers for art, music, library, and physical education, school psychologist, school counselor, special education supervisor, school social worker, speech and language therapist, and district technology manager.

The Midland County Health Department provides nursing services. All professional staff members are fully certified to teach the subjects that they are assigned. 100% of the Bullock Creek Elementary Staff are considered Highly Qualified as defined under No Child Left Behind.

## Process for Assigning Pupils to the School

The Bullock Creek School District maintains boundaries of attendance for students residing within the district. Students are assigned to their "neighborhood" school unless a request for attendance at a different school within the district is granted.

## Status of School Improvement Plan

A copy of the School Improvement Plan is available in the school office and on the district website:

<http://www.bcreek.k12.mi.us/bcel/index.html> The School Improvement Team, composed of several focus groups, meets regularly during the school year. The purpose of the team is to develop, review and evaluate goals, objectives and strategies for the School Improvement Plan. The School Improvement Team facilitates the continuous collection and analysis of academic assessment data to guide instruction and evaluate progress toward student achievement goals.

## Local Assessment Data

### DIBELS – Dynamic Indicators of Basic Early Literacy Skill

**Phoneme Segmentation Fluency (K)** A technique for building phonemic awareness in which students break words into their component sounds, saying each sound separately as they tap them out or count them. For example, how many sounds are there in the word desk? (Answer: d/e/s/k, four sounds).

**Oral Reading Fluency (ORF) (1-2)** - Fluency (automaticity) is reading words with no noticeable cognitive or mental effort. It is having mastered word recognition skills to the point of overlearning. Fundamental skills are so "automatic" that they do not require conscious attention.

Examples of automaticity:

- shifting gears on a car
- playing a musical instrument
- playing a sport (serving a tennis ball)
