A School of Academic Excellence

August 12, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Floyd Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Rodney Dishaw, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site (www.bcreek.k12.mi.us) or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a FOCUS school.

Our school is working diligently to implement the Professional Learning Community model. This model involves using student achievement data to plan for instructional changes that may be needed to ensure that all students are learning.

State law requires that we also report additional information. **FOR THE TWO MOST RECENT YEARS:**

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL-** Students are assigned to classrooms based on a variety of factors. Classes are grouped in a mixed ability grouping.
2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN** – We are currently operating on a one year school improvement plan which is available on www.bcreek.k12.mi.us.
3. **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL** – There are no specialized schools located at this location.
