School Annual Education Report

August 15, 2012

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2011-2012 educational progress for Bullock Creek High School. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Todd Gorsuch for assistance.

The AER is available for you to review electronically by visiting the following web site www.bcreek.k12.mi.us or you may review a copy from the Principal's office at your child's school.

For 2011-2012, Bullock Creek High School made Adequate Yearly Progress (AYP) in the tested subjects (mathematics, reading, science). While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information.
